Get more out of life, Get in the Circle

WEATHERFORD, TX (Feb. 28, 2011) --- Weatherford Regional Medical Center's chapter of Senior Circle, the association for adults 50 years of age and better, will celebrate four years of service to Parker County seniors from 4-6 p.m. on Thursday, March 10, at Central Christian Church in Weatherford. The event will feature games, entertainment by Lee and Gloria West, heavy hors d'oeuvres, door prizes and an opportunity to network with other seniors. There is no charge to attend the Senior Circle Anniversary Celebration.

"Our goal with the Senior Circle program is to encourage area seniors to live a healthy and active lifestyle," Cory Countryman, Weatherford Regional Medical Center CEO said. "We accomplish this by providing programs that promote continued learning, wellness, health and volunteering, coupled with a host of social activities."

In March 2007, Weatherford Regional Medical Center launched a Senior Circle chapter to enrich the lives of men and women with 50 or more years of life experience. In just four years, the local Senior Circle chapter has grown to over 1,200 members. Nationally, there are more than 88,000 Senior Circle members in 105 chapters.

"Senior Circle is about having the time of your life in the prime of your life," said Deb Williford, Senior Circle Advisor. "If you're 50 years old or better and want to get more out of life, I encourage you to join our circle of friends today."
